

## Exemplary Practice of the Year Award

Each year, WSCA recognizes an exemplary practice that has provided outstanding support to the counseling profession and to the students. The Exemplary Practice of the Year Award goes to a noteworthy counselor (or counseling team) in recognition of their outstanding school counseling practice. Ideally, the nominated practice should reflect a project/initiative/program that is innovative, specific, currently in practice, and easily adaptable to other schools.

***The Exemplary Practice of the Year Award will be presented on Thursday, June 6, 2024, at noon***, at the Spring General Meeting and Annual Awards Luncheon at the View Restaurant in Oakdale.

At this luncheon, our association publicly recognizes the initiatives that help us to provide excellent services to students.

Any member of WSCA may submit a nomination for the award. Nominations should be in the form of a letter that includes the following:

- name and institutional affiliation of the nominee
- a description of the exemplary practice's outstanding qualities with specific examples of how the practice demonstrates innovation and addresses the students' needs

***Please note that all nominations must be received no later than May 22, 2024, and that all nominees must attend the Annual Awards Luncheon on Thursday, June 6, 2024.***
